Tested to Outlast

We still make them like we used to. Tested for 10,400 cycles which could be up to 25 years in the home. Our touch pads are tested for 1 million impressions.

Durable

Triple Coated, commercial-grade steel cabinet will look good and last for years to come.

Extra Capacity

Large 198 litre capacity cylinder with the largest door opening means it can handle the biggest loads, so you spend less time in the laundry.

Fabric Care

Whisper quiet, superior airflow of 85 litres per second results in faster drying with less wear, and less wrinkling of clothes.

Energy Efficient

Three temperature setting options and auto dry feature ensure the dryer does not over dry items wasting valuable time, energy and money.

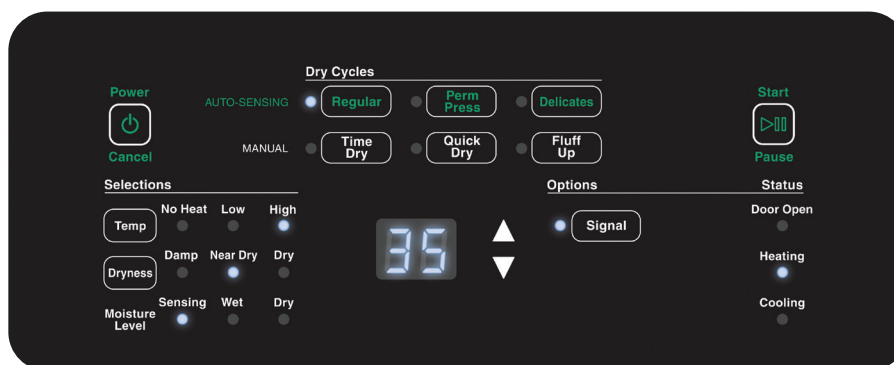

Convenient Cycle Times

From 35min for full 9 kg load.
